Foreword

Queen of the Most Holy Rosary, in this tragic hour of the world's history, we entrust and consecrate ourselves to Your Immaculate Heart, our only refuge, our hope, our salvation. Have pity on this world torn by the most terrible conflicts, burning with the fires of hate—victim of its own sins. May Your Heart be moved at the sight of so much ruin, pain and sorrow.

Mother of Mercy, Queen of Peace, pray for us and give back to a world at war a righteous peace and the justice and charity of Christ.

Have special pity on those peoples, who throughout the ages have honoured Your Heart with particular devotion by the veneration of Your ikons. Grant them also peace and lead them back to the one fold of Christ.

We consecrate to this Maternal Heart our persons, our families, our country —the whole of humanity. Protect and save us.

POPE PIUS XII

Dear Sue

PUEBLO CATHOLIC HIGH SCHOOL

PUEBLO, COLORADO

Our Mother

In the early days, the Bishops of America wished to give our country a priceless gift. They searched to find one that would be worthy of the love they felt for this dearest land of liberty. Finally they found that perfect gift, Mary, our Mother. They gave to our country which recognizes no royalty, the only Queen America would accept. They dedicated our country to Mary Immaculate. They did not realize it then, but they really gave Mary to our land rather than our land to Mary.

Dear Sue
Well, we've had our ups + downs but we're
still good friends. Remember last year at my house
and those fish + then your house and that
initiation! God Bless you always!

STUDENTS OF PUEBLO CATHOLIC HIGH

His Holiness, Now Gloriously Reigning, Pope Pius XII,
to Whom We Owe the Great Gift of the Marian Year.

GRADUATES of 1954
PUEBLO CATHOLIC HIGH SCHOOL

Yours is the distinction of being the first class to be graduated from the new Pueblo Catholic High School, which was built at no small sacrifice to give you the best in religious and secular training, forming intellect and will as masters of the body for the true leadership that is expected of you in the world of today.

This is an eventful year in your lives. It marks the end of your high school course during which you have been given the opportunity to strengthen the foundations, begun in the school of your homes, for the building of your future careers. Your faith, fortified by the development of the understanding of the fundamental doctrines of the Church, will ever be the cornerstone of your conduct and confirm you in the peace and happiness of right living. It will be the guarantee of the attainment of the ultimate purpose of your existence—eternal life.

The school you are now leaving has provided the proper balance in the great fundamentals of true education, the essentials of religion, human relations, abstract and physical sciences, and the humanities. By it you are equipped to live a truly cultured life, to keep harmony in your own soul, and to contribute harmony of spirit to the world of your associations in the practice of the divine, the moral and the civic virtues.

Contact with the faculty that has contributed so much to the development of your Christian character should never be broken. It is the strong anchor that will give you a sense of security in moments of indecision; the memory that will keep fruitful its salutary counsels and shining example; the golden threads that will weave themselves into your pattern of life and give close unity with all your associates at Catholic High. Your loyalty to your Alma Mater will insure your loyalty to all institutions of Church and State, and give to you the full satisfaction from service to God and Country, which is the highest ambition and crowning success of every divinely endowed life.

JOSEPH C. WILLGING
Bishop of Pueblo

THE MOST REVEREND JOSEPH C. WILLGING, D. D.

Bishop of Pueblo

With the creation of the diocese of Pueblo on December 8, 1941, the Catholic Church in Colorado took another step towards the strengthening of the word of God in the western part of the United States.

Since his appointment, Bishop Willging has taken great strides toward making this diocese flourish. Under his planning, organizing and building, many new schools and parishes have come into existence and numerous other projects have been successfully completed. The students at Pueblo Catholic High are grateful to the bishop for their magnificent school which was completed four years ago under his capable direction.

Our Pastors . . . work long tedious hours to make their parish the best. They are prominent citizens and take part in civic affairs.

They are always willing to give their time for worthy activities. They are always glad to help with any problems you might have whether they are spiritual or material.

May Mary watch over you and keep you safe from all harm.

SISTER ELLENORA . . . *Our Principal,* is known and loved by all Pueblo Catholic High students. In addition to administrative tasks, Sister teaches English III.

May God and His Blessed Mother bless you, Sister, for the Mary-like work you are accomplishing on behalf of all of us.

SPIRITUAL GUIDES

Dear Father Voss . . .

There is probably not one pupil, from the time you first came to PCH, who has not, at one time or another, gone to you for help in solving a problem. Each of these you have met with kind understanding. Each pupil has been made a little wiser, or a little more encouraged by your kindness.

We have always felt that you were our friend, and this you have proved to be in many, many instances.

We know that there have been times, probably too numerous to mention, when we tried your patience. For such times, we are truly sorry and hope that you will remember only the good things about us students at Catholic High. We feel we are very privileged to have been under your guidance during the past four years.

May Our Lady during this, her year, shower an abundance of blessings upon you.

Gratefully in Christ,
STUDENTS of PUEBLO CATHOLIC HIGH

FATHER ELWOOD C. VOSS
Superintendent

For the past year, Father Louis C. Stovik has held the position of director of discipline at Pueblo Catholic High School. He has undertaken the task of making the students realize that the high school students of today should and MUST be the leaders of tomorrow. The purpose of high school is to mold one's character and plant good moral habits. Only those serious-minded enough to realize the difficulty of this great task can even hope to achieve it.

Thank you for your part in making the 1953-54 school year one of the best in its history.

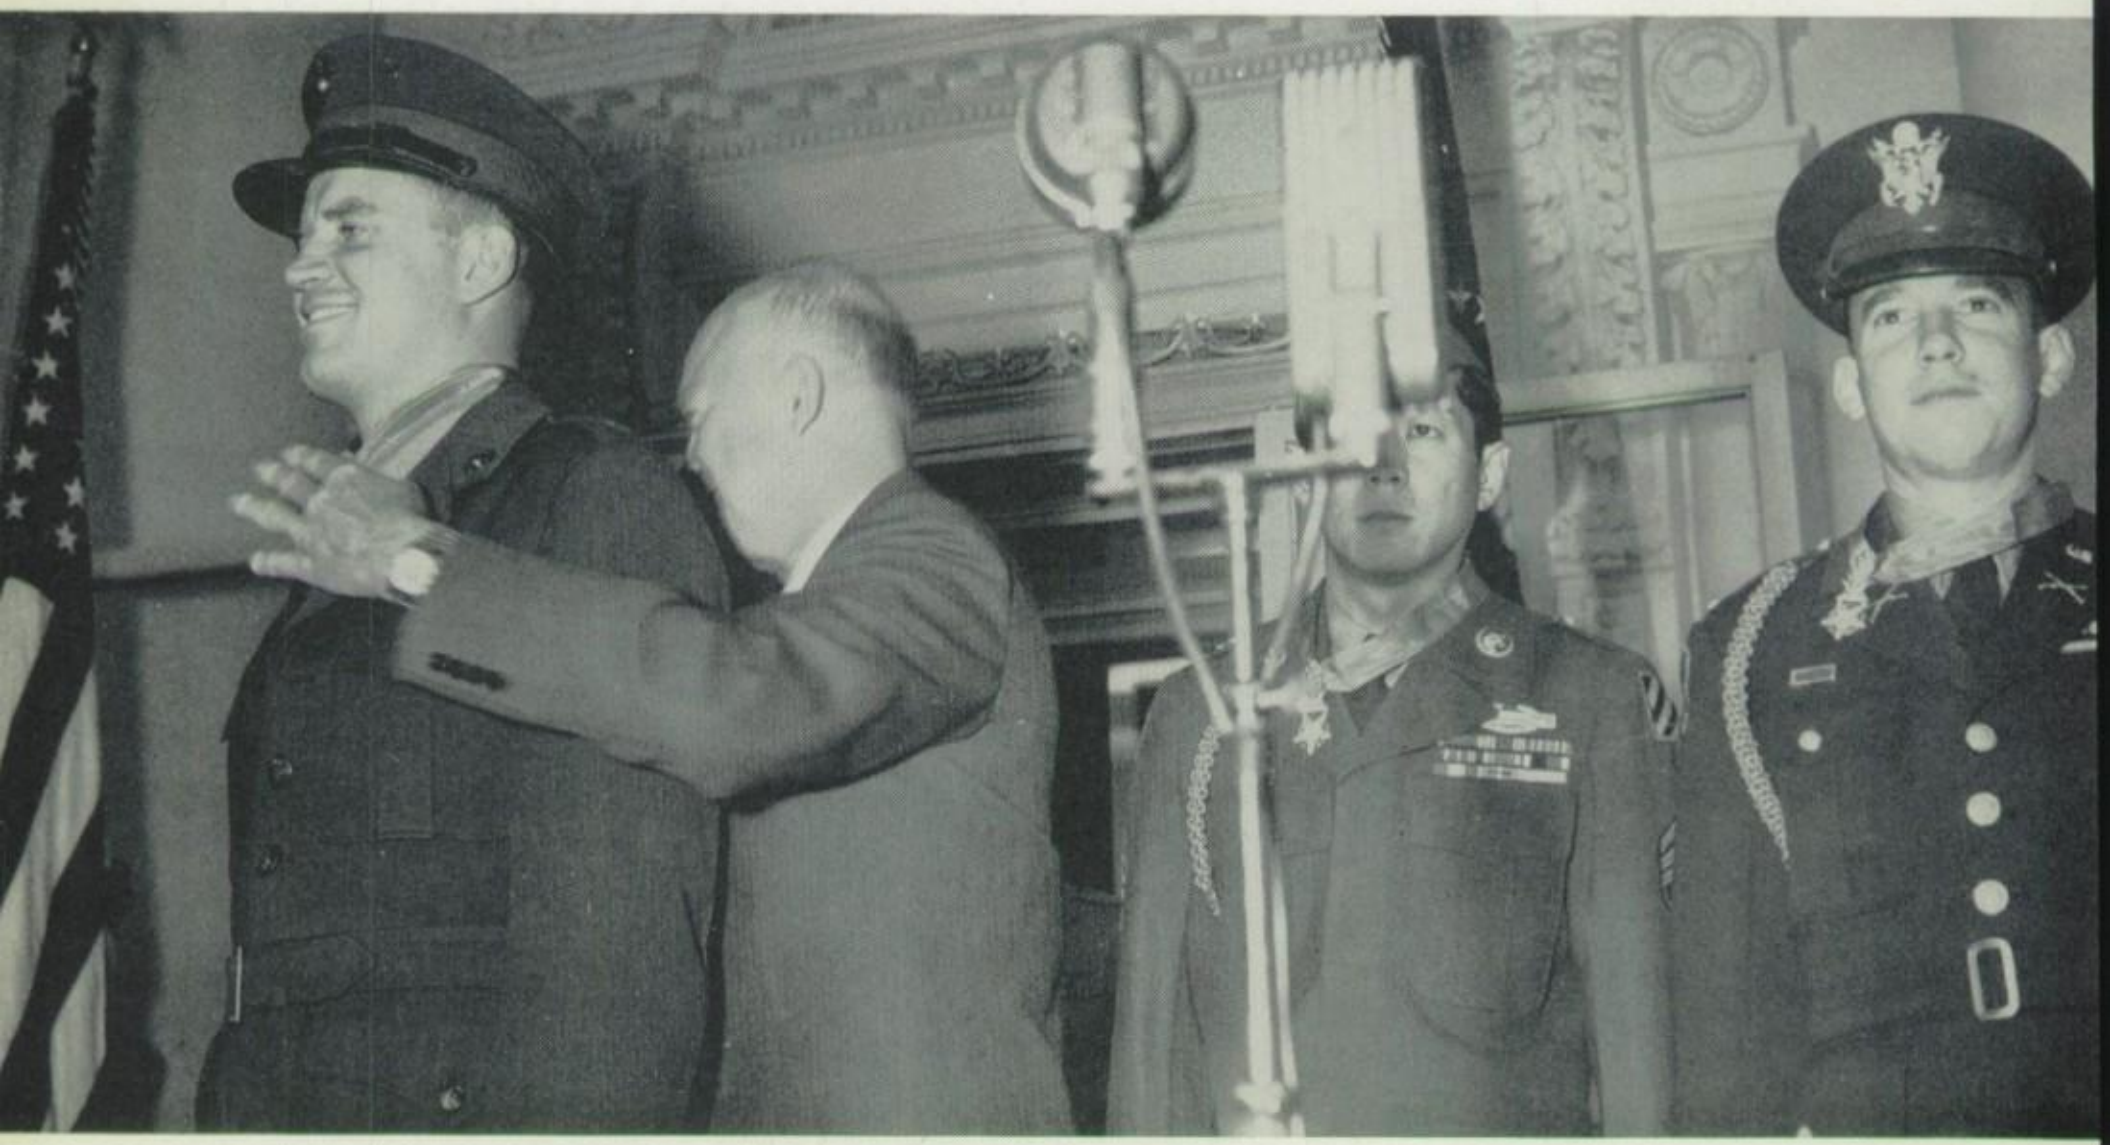
"I should have ordered a larger ribbon," declared President Dwight D. Eisenhower, as he fastened the blue star-studded ribbon of the Congressional Medal of Honor around the neck of six-foot Marine Lieutenant Raymond G. Murphy.

Pueblo Catholic High students can proudly salute Lieutenant Raymond "Jerry" Murphy, a member of the Class of 1948. Jerry, son of Mr. and Mrs. Tom Murphy, is the first alumnus to receive the highest military award, the Congressional Medal of Honor.



Lt. Raymond Murphy smiles broadly as the Congressional Medal is secured by President Dwight D. Eisenhower.

THE GRADUATES GIVE THANKS

LEGACIES, MEMORIES, good wishes—all these the Seniors leave behind them—and side by side with these they jot down some thoughts important to them:

TO PCH:

God bless these walls that have sheltered us for four of the most glorious, golden, carefree years we will ever know—years in which we have learned first and foremost the beauty of loving God and the peace in staying close to Him—years that have taught us to give and to take—to face the future unafraid because we have been prepared to go out and fight for what we know is right—days and months of heartaches and victories, work and fun—all this, and friends and counselors such as we'll never again have the privilege of knowing.

These four years at P.C.H. have given us a deep sense of gratitude for what we are now leaving—the happiest days of our lives.

TO THE FACULTY:

Thanks and appreciation can never end the feeling we have for you. We know that without your endless patience, kindness and generosity, we could never have attained the high goal of graduation from Pueblo Catholic High.

We whisper a prayer of thanks—"May God bless you and be with you always."

1953 FOOTBALL

The 1953 edition of the Shamrock football squad proved to be a real challenger for League honors. The championship was not decided until the last game of the season in the game with the Abbey Bears which the Irish lost 12-6. Much credit must be given to Head Coach Mike Davlin and his two able assistants, Dave Davis and John Shonk, for their superb job of leading the team through such a successful season. The Irish finished the season with a 6-3-1 record.

SHAMROCKS 44 — LAMAR 7

The Shamrocks opened the season one week after school started and, playing in 90-degree weather, they dumped the Lamar Savages by a 44-7 count. Jack Datz, Irish co-captain, led his teammates on to victory by scoring four touchdowns and an extra point. This win was only the second that PHC has won from the Savages in a six-year series dating back to 1948. However, it was the most impressive victory by far that either team has scored. The win was especially sweet for Coach Mike Davlin. Just one year ago Lamar spoiled his coaching debut at Pueblo Catholic by defeating the Sons of Erin 12-6.

Leo Dicino, senior tailback, goes around right end for a substantial gain in the Lamar game. Frank Gutierrez and Frank Gonzales throw key blocks.

John Garnett is heading for a fall in the shot of the Florence game. He was hit a few seconds later by Tom Zamarippa 47 and Jim Provenzano 58.

SHAMROCKS 38 — FLORENCE 0

Florence Huskies were downed by 38-0, by the Shamrocks in an afternoon game at Stauter Field on September 19. Leo Dicino scored the Irish's initial tally on an 8 yard run. Dicino scored twice more before the afternoon was over and Jack Datz added 14 points to the Irish cause. All-Conference guards, Joe Martinez and Moe Thomas, sparked the Irish line on offense and accounted for quite a number of the Shamrock tackles on defense.

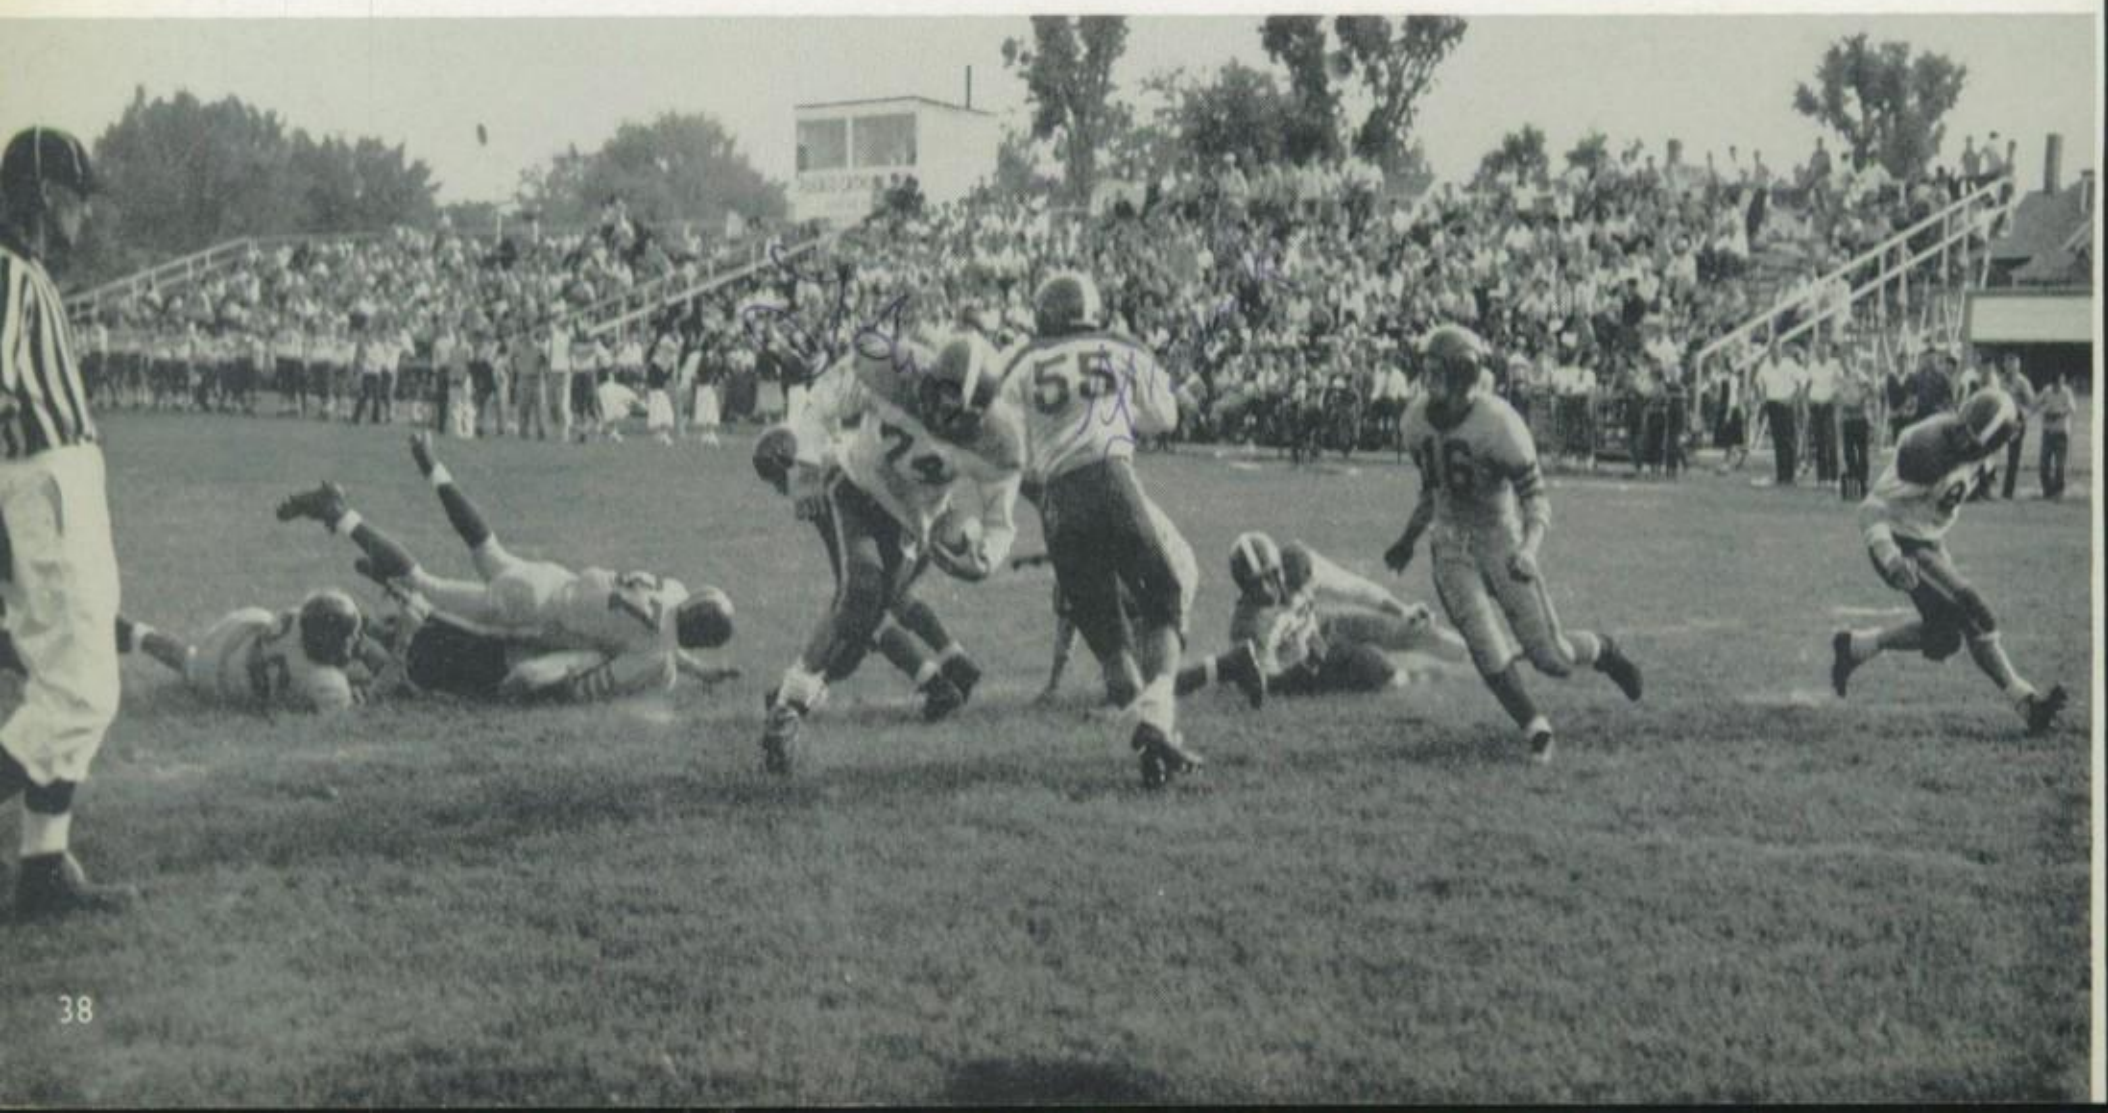
SHAMROCKS 33 — ST. FRANCIS 7

On September 26, with the reserves playing most of the game, the Shamrocks rolled on to a 33-7 victory over the Gremlins of St. Francis of Denver. The Irish entered the game knowing nothing of the strength or ability of their foes, since no scouting report was available. Jack Datz again led the Irish by scoring two touchdowns. It was the second win in as many years for Davlin-coached squads against St. Francis.

John Garnett, fleet Irish wingback, crosses the goal line for the second time in the St. Francis game.



Jack Datz goes around right end for 15 yards on the first play of the Lamar game.

SHAMROCKS 6 — BULLDOGS 14

The Shamrocks suffered their first defeat of the season on the night of October 3, at the hands of the Centennial Bulldogs. The Irish scored once in the third quarter, but it proved to be too little and too late. Leo Dicino crashed four yards for the only touchdown.

SHAMROCKS 66 — PIRATES 7

Coming back strong from their previous defeat, the Shamrocks rolled over the Pirates from St. Mary's of Colorado Springs. Ten different players contributed to the Irish scoring efforts. Before the game was over, the entire squad had participated in the game.

HOMECOMING

October 18 was a big day in the life of Barbara Bryan. On that day she reigned as queen of Shamrock Homecoming festivities. After the traditional Mass at St. Patrick's in the morning, the Shamrock football team met St. Mary's of Walsenburg and defeated them 49-12. That evening, the Junior Class sponsored a dance in the school gymnasium. The music was provided by Beech Maury. "Stardust" served as the theme for the dance.

SHAMROCKS 14
LA JUNTA 19

October 25 was the date on which the Irish met the tough La Junta Tigers at La Junta in a night game. The Irish scored in the second period on a pass from Leo Dicino to John Garnett covering 17 yards. After being behind most of the second half, they came back with another TD in the fourth quarter. But with only four minutes left in the game, La Junta scored again. When the final gun sounded, the Irish were on the short end of a 19-14 score.

The starters for the Shamrocks were linemen Reuben Trinidad, Gene Tapia, Moe Thomas, Joe Martinez, Joe Puleo, Ed Beauvais and Cliff Fleming. Backfield starters were John Garnett, Frank Gonzales, Frank Gutierrez, Jack Datz and Leo Dicino.

SHAMROCKS 0
REGIS 0

On November 1, the Irish played host to the powerful Regis Raiders. The game was a tightly played one and touchdowns were scarce. The Shamrocks managed to push within the Regis five yard line, but met up with a stubborn Raider defense on both attempts. Leo Dicino was injured on the last play of the game and was sidelined for two weeks with torn knee muscles.

SHAMROCKS 6 — ABBEY 12

Much excitement preceded the game of November 15, in which the Fighting Irish met the Abbey Bears for the Southern Colorado League Championship. The Irish struck hard and fast and scored on the first play of scrimmage on an 80 yard screen pass play from Jack Datz to end Reuben Trinidad. The Bears were not to be counted out, however, and came back to score in the third period to tie the game at 6-6. Then, with five minutes remaining in the game, the Bears scored again. The final score: Abbey 12, PCH 6.

SHAMROCKS —HOLY TRINITY

On November 8, the Pueblo Catholic High gridiron squad renewed their longtime rivalry with the Tigers from Holy Trinity at Trinidad. After taking the opening kick-off and marching 60 yards for a T.D., the Shamrocks settled down to a rock and sock game of football. The Tigers scored once in the third quarter before Reuben Trinidad, Junior tailback, clinched the game with an eight yard end run with three minutes remaining in the game. Co-Captain Ed Beauvais and Gene Tapia did an outstanding job for the Irish on defense. On offense, the running of Trinidad and John Garnett contributed much to the Irish victory.

The faculty and students of Pueblo Catholic High School dedicated their Christmas Pageant which was held December 18 and 20, to Catholic missionaries of the past who brought the Christmas message to American shores and to Catholic missionaries of the present who are taking the same message to the pagan millions.

Student Council

Executive officers of the Student Council did a fine job in unifying Pueblo Catholic High this year. Among the projects undertaken by the members of Council were the filling of Thanksgiving baskets for the needy; managing business affairs for the 1954 Shamrock; ponsorship of "Beaux and Belles," Christmas Ball, December 27, and highlighted by the music of Jimmy Howard and his band. Career Week is a yearly March feature sponsored by Council commemorating the month of vocations. Climaxing several general assemblies on primary callings was Career Day, March 18, devoted to specific fields. Specialists in different fields analyzed job possibilities and aptitudes for their student listeners.

Each spring, two boys and a girl, or two girls and a boy are chosen to be candidates for representatives in Council. They must first be approved by a two-thirds faculty vote. Eligibility for officers according to the Student Government Constitution reads: "Two Senior boys with at least an 85% average run for President. Two Junior and Senior boys with the same average run for Vice President. Two Junior or Senior girls with an 80% or above average run for the offices of Secretary and Treasurer."

The 1954 Irish cage squad got off to a bad start but caught fire late in the season and established a reputable record before the year was over. With only three returning lettermen, Jack Schafer, Jack Datz and Gene Buser, Coach Ed Murray had to form a team of untried hopefuls. After compiling a two won and five lost record in early season play, the Shamrocks came back to win 10 of their next 13 games. The three losses were to the Abbey Bears, Southern Parochial League champions. Besides the three lettermen, Coach Murray's squad was bolstered by Junior guard, Reuben Trinidad, who turned in many fine floor games for the Sons of Erin. Datz was the leading scorer for the team, compiling a 13.8 average for League games. Tops in the rebounding department was Gene Buser, whose 6 foot 7 inch frame was a menace to any opponent under the boards. Jack Schafer was elected Captain of the squad and his all-around hustle and spirit kept the Shamrocks in the running at all times.

All Sports Banquet

A banquet honoring all of the major lettermen was held January 24, at the Whitman Hotel. Principal speaker at the banquet was TERRY BRENNAN, Freshman coach and later Head Coach at the University of Notre Dame. Major letters were awarded to all football players who earned them. The letter-winners were announced by FATHER LOUIS C. STOVIK, athletic director, and were presented by MR. BRENNAN. Coaches MIKE DAVLIN and ED MURRAY discussed past seasons and prospects for coming years. FATHER CLEMENT FIRKO served as toastmaster for the affair. Silver and gold trophies were given to members of the first and second All-conference elevens. Immediately following the dinner, movies of the 1953 Notre Dame Football season were shown.

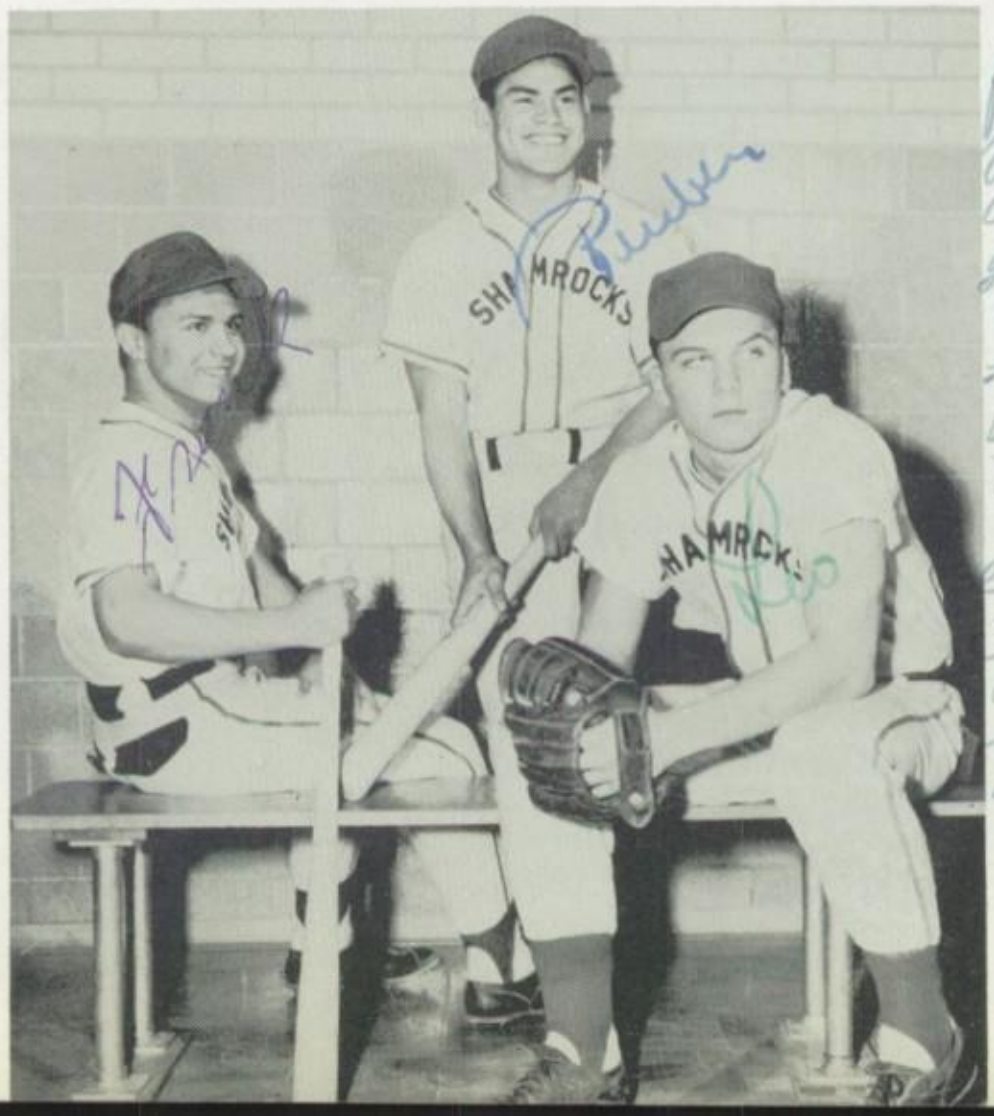
1954 Baseball

The 1954 baseball team must really play ball this year to surpass the record set by the 1953 club. The '53 team won 15 of 16 games and annexed the Southern Parochial League championship for the third straight time. With eight lettermen returning, the chances for the Irish to capture their fourth straight is very good. Lettermen who can be counted on for excellent performances again this year are Jack Datz, Ed Beauvais, Joe Puleo, Frank Ricotta, Reuben Trinidad, Moe Thomas, Leo Dicino, and Frank Gutierrez.

Three outfielders who were counted on for good batting averages this year were FRANK GUTIERREZ, REUBEN TRINIDAD, and LEO DICINO.



Hi ya Lee.
I sure had lot of fun knowing you these past few years. You are one of the nicest girls I know and have ever met too. Keep up the way you are and you will reach the very top in everything.
Best of luck to you in everything you do and I know you will make a good cheerleader next year. Be Good and God Bless you always. Remember me
Love
Lyle
